MEDNAX radiologists and support team members to the RP family,” said Rich Whitney, RP Chairman and CEO. “Together, we will continue to elevate radiologists’ role in our healthcare system as we advance our mission to transform radiology. We look forward to expanded and meaningful collaboration in the areas of clinical innovation, subspecialty coverage, advanced technology and growth opportunities.”

The combination of RP and MEDNAX Radiology Solutions—two of the country’s leading radiology teams—totals more than 2,400 radiologists. MEDNAX announced its intent to divest its radiology division in June 2020. For the past several years, including throughout the pandemic environment of 2020, RP has exhibited an ability to [grow successfully](#) and to further advance its mission to transform radiology.

“Since RP’s intent was announced in September, we’ve thought a great deal about how a combined Practice will enhance our capabilities for clinical care,” said Ricardo C. Cury, M.D., FACR, Chief Medical Officer of MEDNAX Radiology Solutions. “With the deal’s completion, it’s now time to roll up our sleeves and get to work on creating new pathways for innovation, leveraging our combined strengths and, ultimately, improving patient care.”

The combination of RP and MEDNAX Radiology solutions will extend coverage into new areas while also expanding coverage in existing areas. Together, the organizations have greater resources for large-scale clinical programs and technology solutions, enabling radiologist leaders across the organization to advance RP’s mission to transform radiology.
