

[Transform: A leadership development and networking event for radiology fellows and residents](#)

Hosted by Radiology Partners, Transform is a unique event for radiology fellows and third- and fourth-year residents who want to connect with radiology leaders and other trainees to learn more about our industry, radiology's place in healthcare and the mission of RP.

Dr. Nick Plundo, a radiologist in Greensboro, North Carolina, attended the event in 2019. "I had just signed an offer letter to my local practice," he explained. "Attending Transform gave me a chance to learn more about the culture of RP and meet people from my future practice as well as spend time with friends from my residency program."

At Transform, radiology fellows and residents attend interactive sessions to

 radiology partners®

learn about RP's commitment to more deeply integrate radiology across the continuum of care and how RP is leading the way to transform radiology through clinical initiatives, academic partnerships and positive culture. Attendees also enjoy valuable social time together to advance their radiology networks.

Dr. Plundo said the event offered valuable education and connection opportunities with other attendees and presenters. "It was beneficial to network with other fellows and talk about why I chose to join an RP practice."

JOIN US AT TRANSFORM 2021
