

[Join us for Canopy Partners Radiology AI & IT Summit](#)

Radiology Partners (RP) teammates are excited to attend [Canopy Partners'](#) seventh-annual [Radiology AI & IT Summit](#) May 25-27. The event will be held at the Umstead Hotel and Spa in Cary, North Carolina, and is designed exclusively for leaders and executives from hospital imaging departments, radiology practices and imaging centers.

As a nationally recognized radiology IT consulting firm, the theme of [Canopy Partners' Radiology AI & IT Summit](#) is "Convergence - Advancing Patient Care and ROI with New Imaging Technologies." The summit features 15 educational sessions on topics such as emerging imaging trends, developing an effective AI strategy and leveraging technology to position your organization for the future. Participants can learn how AI is being used live in clinical settings to improve patient care, strategies for reducing radiology IT cost and how health systems and radiology practices can partner on AI and IT initiatives.
